About 17 years ago BMIS started with an enthusiastic group of people with limited resources but with a long-term vision; it is now a success story. Successful organization connects people to work together for building better community, and that’s why Muslims are building stronger community in the vicinity of BMIS. Now it is the time to think about how to guide and protect our children in the community where we live and grow, and it is the growing demand of our community.</p> <p><u>INCEPTION OF BMA- TURNING POINT:</u> With respect to the above points of views, under the umbrella of BMIS, Baitul Mukarram Academy (BMA) began operation in September 2014 with the slogan / vision statement: “Our Future Is Our Children” in order to introduce a full time Islamic school with Ministry of Education curriculum. Since then, BMA has been successfully completing the school years and showing excellent EQAO results by fulfilling the curriculum expectations and providing students’ report card on the template of Ministry of Education (MOE). BMA is now under the stream of “Growing Success”. Join us and register your children for the protection of the future of your children through continuing empowerment, motivation and dedication.
